## SECTION II: SCOPE OF WORK

### Overview:

Under the GSA Schedules Program (also referred to as Multiple Award Schedules and Federal Supply Schedules), GSA establishes long-term government-wide contracts with commercial firms to provide access to over four million commercial services and products. These can be ordered directly from GSA Schedule contractors or through the GSA Advantage! On-line shopping and ordering system.

### Purpose:

The purpose of this Human Capital & Human Resource Services Solicitation is to provide a full range of services to enable Federal agencies to meet their agency needs. There are three (3) continuously open Special Item Numbers (SINs): 541612HC, 624SS, and OLM. Offerors may submit a proposal on any one or combination of SIN(s) at any time, but each product or service may only be offered under one SIN.

### Scope of Services:

The Contractor shall be capable of providing services for ordering agencies with multiple organizational levels and geographic locations nationwide and/or worldwide. The Contractor shall also be capable of handling multiple task orders simultaneously. Offerors shall ensure employees meet training requirements. Offerors are to provide one Open Ratings report per proposal.
