

CADUCEUS

Caduceus is a Service-Disabled Veteran Owned Small Business (SDVOSB) headquartered in Atlanta, GA, with an office in San Juan, Puerto Rico. Our core mission is to offer customized Staffing, Emergency Management and Professional Solutions to our clients. We have staffing contracts in thirty-two U.S. states, five U.S. territories, and in over 100 different labor categories. Caduceus has recent experience and excellent past performance staffing over 500 employees, on a single contract, and has secured over \$150 million in healthcare and public health contracts in the last 5 years. Our ability to deliver our services through state-of-the-art Artificial Intelligence (AI) technology and quality control systems is a benefit and an added value to our clients. Lastly, our firm has a commitment to continuous improvement and quality control. Our operational processes are certified by independent certifying bodies, i.e., ISO 9001 for our Program Management, Capability Maturity Model Integration (CMMI) Level 3 for our Talent Acquisition Methodology, and Joint Commission (TJC) for our Administrative and Credentialing Processes. We possess an active U.S. Government "Secret" level facility clearance.
